Dave Gordon, President
National Brick Pavers
3450 N. Federal Highway
Lighthouse Point, Fl 33064

Dave, Just wanted to drop you a short line expressing our sincere appreciation on the fantastic job you and your men have done on our pool and pool deck. My husband and I are very particular and you certainly met our expectations. What impressed us the most is how often you visited the project, how many times you called, and when there was a small problem how fast you made sure the problem was solved. The guys who put down the pavers are masters, impeccably clean and a pleasure to have around.

Steven and I would highly recommend your company in a heart beat.
Many many thanks.

Sincerely,
Carol and Steven Szafalowicz
Lighthouse Point
