Dear Dave:

Rob and I would like to thank you for the excellent customer service you provided from start to finish as we completed our driveway project. Your expertise and knowledge of the product helped us choose the pavers that were right for us. Your crew was courteous and extremely efficient. We were amazed at the speed of progress once they began to lay the pavers! I would highly recommend National Brick Pavers to anybody who is looking to have a new driveway or paver deck installed.

The driveway itself looks absolutely beautiful, and it is the perfect compliment to our newly remodeled home. Thank you again for all of your help.

Sincerely,

Nancy Kniskern
