Dear Dave:

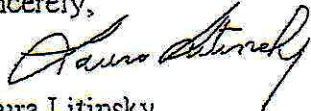

My husband and I want to thank you for the outstanding job you did installing marble pavers on our driveway. From beginning to end, your service was excellent.

You patiently answered all of our questions as we went through the estimate process. The work was scheduled and commenced in a timely fashion. I was impressed with the professionalism of your crew who were hard working and polite.

The job was completed in the time frame promised. Our beautiful marble driveway is beautiful to look at and has added to our home value.

Thanks go to you and your employees for a job well-done.

Sincerely,

Laura Litinsky
