Dear Dave,

You did a fantastic job transforming and updating the exterior appearance of our home in Boca Raton. We are thrilled with the results of our new brick pool deck and front walkway.

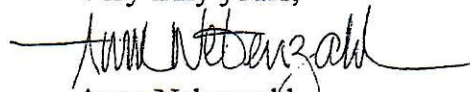

From start to finish, your company assisted in every way. You advised us and assisted us in choosing the exact type and color of brick. Then you delivered and installed the brick exactly as you promised you would. When the job was completed, your expert installers made a special effort to clean everything to our complete satisfaction.

We can't thank you enough. Your company is one of the few professional, reliable and responsive companies we've ever had the pleasure of working with in south Florida.

Please don't hesitate to contact us if you ever need a referral. We'd never go anywhere else.

Thank you again for a job well done!

Very truly yours,

Anne Nebenzahl
