Mr. David McKenry

I wish to thank you for the outstanding job that you and your staff did in installing pavers for my driveway. Everyone who came out was very professional, courteous and preformed their jobs with the upmost precision. You were great in keeping me informed as the scheduling and what would happen when. The time frame in which you completed the job was nothing less than amazing. You can be assured that when I do my patio, you will be the only one I call. Thank you and I look forward to working with you in the future.
