National Brick Pavers
3450 North Federal Highway
Lighthouse Point, FL 33064

Dear Dave,

National Brick Pavers has done it again! We are thrilled with the fantastic job you did with our sidewalk along our home. This is the third job you've done for us including the pool and the front entry to our home.

We wouldn't think of going anywhere else for pavers and will be contacting you again to do our driveway. We highly recommend your company for the high standards, quality workmanship, and timely completion of work that you aspire to.

Thank you for another job well done! We are extremely satisfied and will continue to recommend you to our family and friends.

Truly yours,

Anne Regan
